ABOUT US

WE ASPIRE TOWARDS SUSTAINABILITY

The **Re-Create by Incanda collection** is crafted from our off-cut materials; namely leather, wood, steel and fabric. We are excited about developing this special initiative: transforming, what would have been, waste, into useful & inspiring products. Due to the unpredictable nature of collecting off-cuts, all of our product photos are representative only. We use collected, quality materials throughout, but the fabric options are bound to vary and leather types will be subject to availability.

All products in our catalogue can be personalised via laser engraving or embossing
